King Bruce & Queen Cheri Reign Over Hello Daze

Axis Sally provided the music for the first dance of the year, the Hello Daze Dance. The date was Friday night, September 27. Kris Dailey and Toni Gruneisen, last years Hello Daze Dance king and queen, were on hand to crown the new king and queen, Bruce McGinley and Cheri Vanderlinde.

The results of the freshman class officers elections were also announced by Assemblies Director Debi Greaves, in absence of A.S.B. President Randy Jepson. Not only was the dance enjoyable, but a nice profit was made.

Nov. 27th was the date of the 4th annual Girls League sponsored Sadie Hawkins.

The gal grabs the fella for this dance and they enjoy a fun-filled night of marriage hitchins, picture takins an and foot stompin music.

Among the prize winners of the dance were cutest couple, Matt Hodson and Brenda Bushner, most original, Randy Yergler, Gae East, and corniest, Tom Gentsch, Maureen Blankenship.

Roberts furnished the pictures, Tag provided the music and Mr. Powell performed the marriages.

Homecoming '74

Stairway to Heaven was the theme for the 53rd annual homecoming held on Friday, November 8th. It was a victorious night for both the Argo Football team, who beat the Los Amigos Lobos, 36-12 and the Class of '76 who crowned their queen for the 3rd year in a row.

With all her hard work, Homecoming Chairman, Debbie Cicero, made the event a great success.

The desire to win, captured the spirits of many students this year, as the profit from a single activity outstripped last years highest by $500.

The point system was different, as 3 points were given for every dollar raised in activities, each A.S.B. card and each yearbook purchased and 5 points for every can of candy sold.

18,643 was the winning figure for the Junior class. The sophomores took 2nd with 11,799. In 3rd place were the freshmen with a total of 7,499. The seniors came in 4th with their 5,930 points. This spectacular homecoming turned out to be one of the best ever held.

1973 Homecoming Queen Kim Keating.

Freshmen Get Off to a Good Start

The freshmen class came in third place with a grand total of 7,499 points, a large amount coming from A.S.B. cards and yearbooks. Their main activity was a Co-ed Rec Nite held in the Boys Gym, from which they brought in $232. They sold $964 worth of candy and gained an additional 150 points by visiting a convelesant home for their service project.

Their princess, Dana Mitchell, was escorted by the freshmen class president Larry Scheirberl.

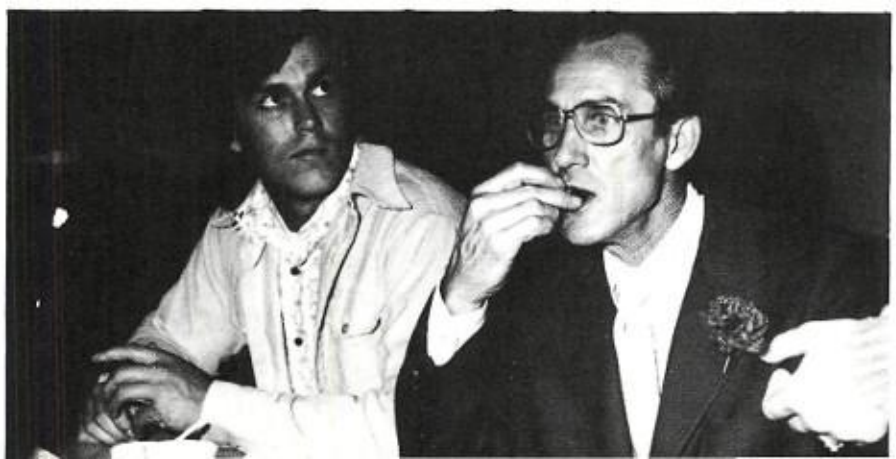
Sophomore Spirit Was High

A great deal of competition to all was added by the sophomore class. Their total amount of points was 11,799, and they came in second place. They brought in $829.00 in their activities which consisted of a curb painting project and a very profitable Spaghetti Dinner. They too had a service project which granted them an automatic 150 points. They sold $1,448 worth of candy.

The sophomore princess was Toni Gruneisen and she was escorted by Shane Lindsey.



Juniors Made History

The juniors showed their true "spirit of '76" again this year by crowning their princess for the third year in a row. Their winning total was 18,643.

They took in $958 altogether in activity money, $792 from a very successful Italian Dinner/Dance and $165 from a Flea Mart/Bake Sale. The children of Orange County Childrens Hospital were entertained on Halloween by the juniors for their service project. Although they trailed in A.S.B. cards and yearbooks they made up for it by earning more than $1,300 in candy money over the second highest class.

Their queen, Georgann McIntyre, was escorted by the junior class president Kirk Saunders.

Seniors Gave One Good Last Try

The senior class of '75 came in fourth place with a total of 5,930 points. Their activities were a Pot Luck Dinner and a Car Ralley which gave them $269. Their service project was donating proceeds from a carnival booth they sponsered to a local charity. They sold $1,094 worth of candy, and they also won the spirit stick in the Homecoming pep assembly.

The senior princess was Karen Brzowski and she was escorted by Randy Avery, the senior class president.

This year's fall play, "The Imaginary Invalid", was a smashingly successful comedy. Written by Moliere, this farcical story of a hypochondriac and his wily antics tickled the ribs of theatre loving crowds. The Garden Grove Thesbian Department was especially proud of this play, seeing as how it was almost entirely self directed. And what a play it was. With sight gags, boffo bits, high comedy and the ever present ribbing of doctors, this play proved to be ranking with the most successful of Garden Grove High comedys.

Co-ed '75

The 1975 Co-Ed was held at the Balboa Pavillion on Friday, January 31st. The theme for the dance was "Beginnings" and the music was provided by Clauis Putney.

As a highlight of the evening, Bill Johnson was crowned Co-Ed King. An active member of the Basketball and Interact Clubs, Bills interests include music and sports. His favorite sport is basketball, in which he was awarded Argo of the Year. Bill's sponsor was Girls League officer, Sue Kiefer.

Many couples enjoyed a night cruise of the bay on the Pavillion Queen, which added an extra special romantic touch to the evening.

Everyone agreed this was one of the best Co-Ed's ever and we have Girls League to thank for that.

Friendship--our friendship--is like the beautiful shadows of evening.

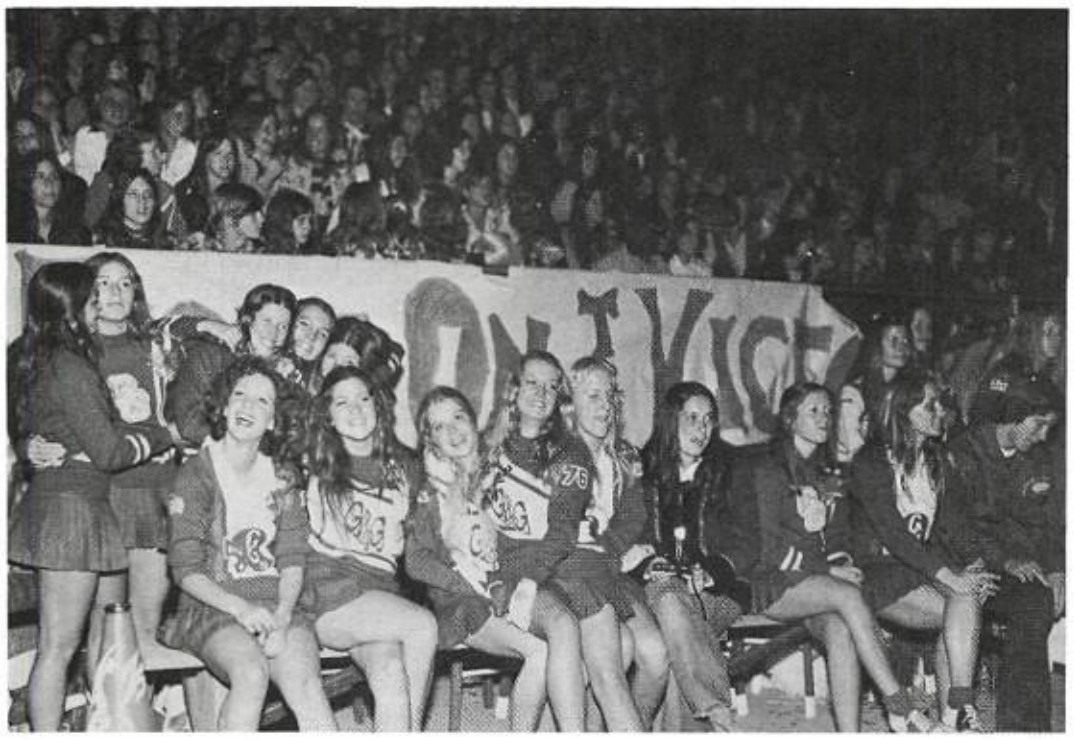
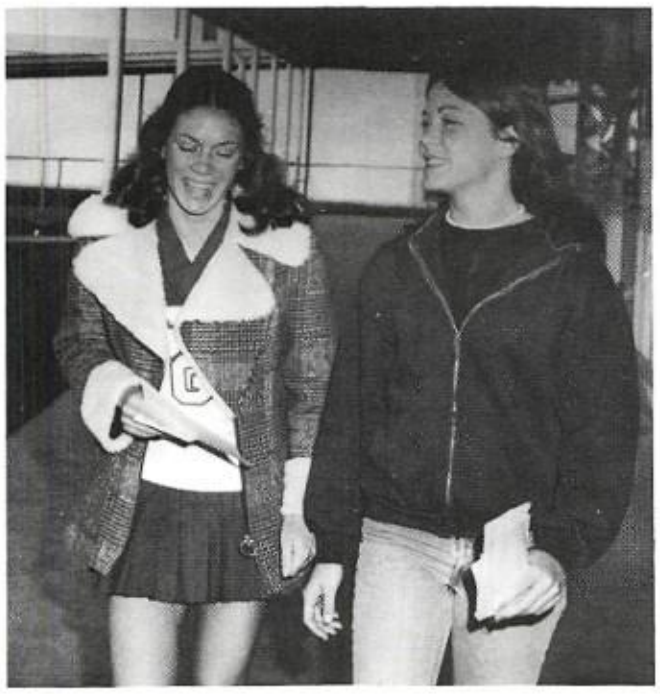
Michael Vitkovics

True happiness consists not in the multitude of friends, But in their choice and worth.

Ben Jonson





Common friendships will admit of division; one may love the beauty of this, the good humor of that person, the liberality of a third, the paternal affection of a fourth, the fraternal love of a fifth, and so on. But this friendship that possesses the whole soul, and there rules and sways with an absolute sovereignty, can admit no rival.

Foreign Exchange

Garden Grove High School had only one Foreign Exchange student this year. Jacqueline Kuenzi. She is from Zurich, Switzerland and is staying with the Crawford family, two of whom attend G.G.H.S., Carol, a senior, and Duane, a junior.

Jaqueline has been active in the Thesipian Club at Grove and hopes to become an actress someday. She was in two theater groups in Switzerland and attends a drama class at Orange Coast College.

She says she likes Garden Grove High School , especially the student-teacher relationship. Her A- grade average while attending school here proves her belief that school in Garden Grove is much easier than school in Zurich.

Jazz music of the 20's is a favorite of Jaqueline as well as rock groups such as Jethro Tull. One thing she really misses here is good public transportation. In Switzerland she relied on busses to get around whereas in Garden Grove the sitation is very different.

Jaqueline believes she will return to the U.S. some day as there are many places here that she still wants to see.

Some of the A.S.B. sponsored activities included: Hello Daze Dance, Homecoming, Valentine Dance and sucker carnation sale, 50's week, fund raising projects and many noon time activities.

Girls' League

Girls' League was very successful this year in their activities. Among the most popular were the hillbilly style Sadie Hawkins and the formal Co-ed, both of which were enjoyed by all who attended. They put on two excellent assemblies for the entertainment of all the girls.

There was also an addition to Girls League this year as eight girls were chosen as class reps., two to represent each grade.

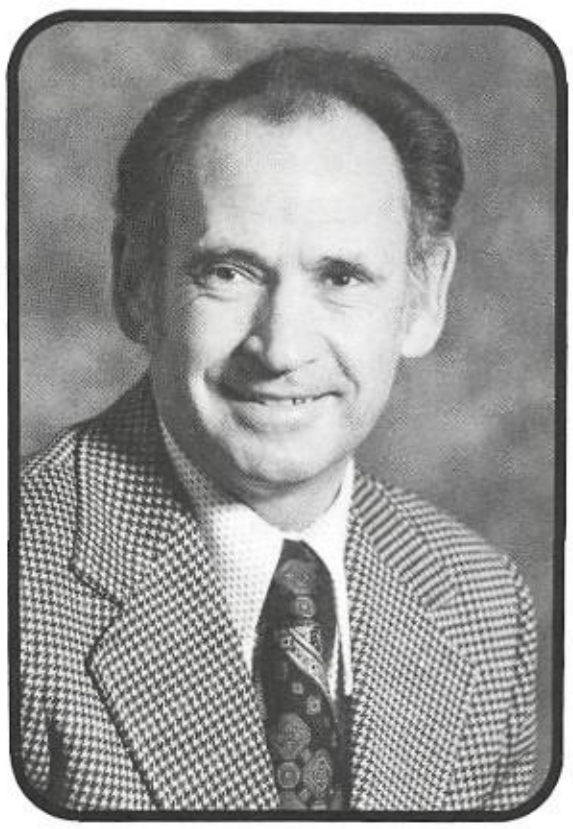
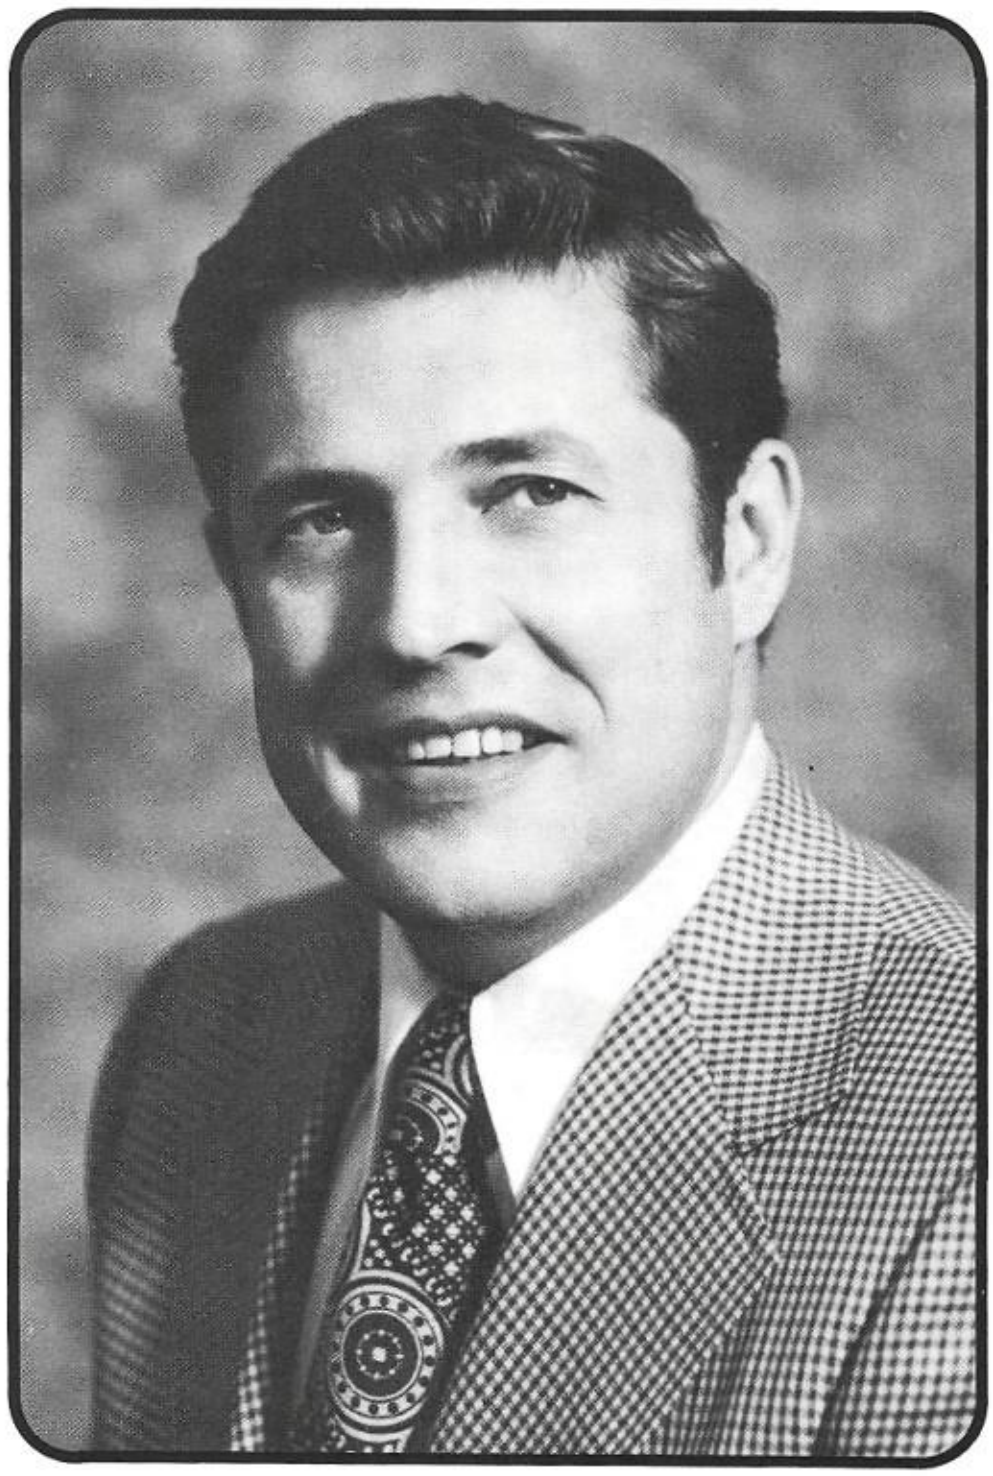
Board of Education

Educational Policies guided by Board.

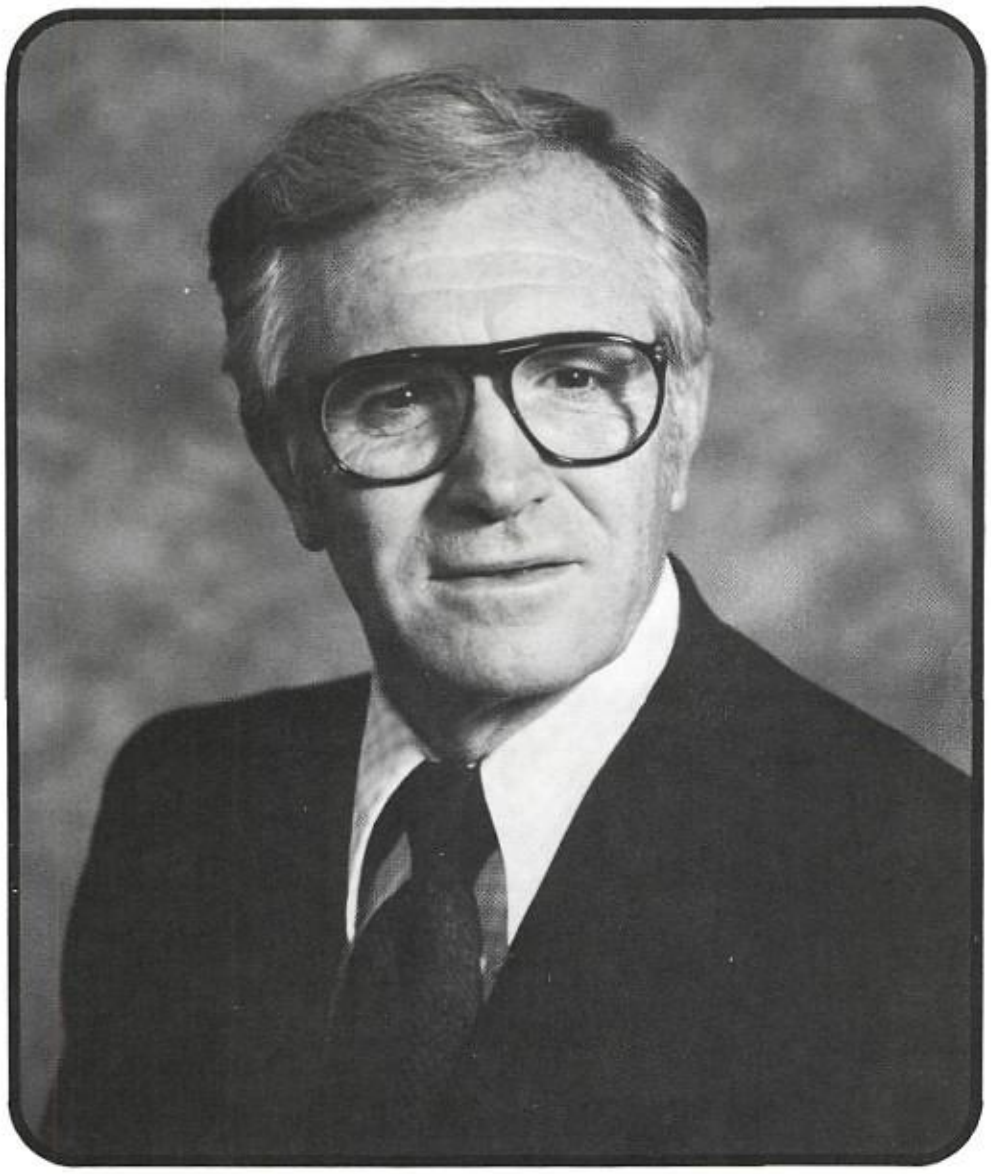
The Board of Education has a great responsibility to the school age population of Garden Grove. Year after year the Board of specially elected persons meet to discuss certain policies and plans of education for the district. They are trying to make education as meaningful for all students as possible.



Mr. Frank Starnes
Area Superintendent



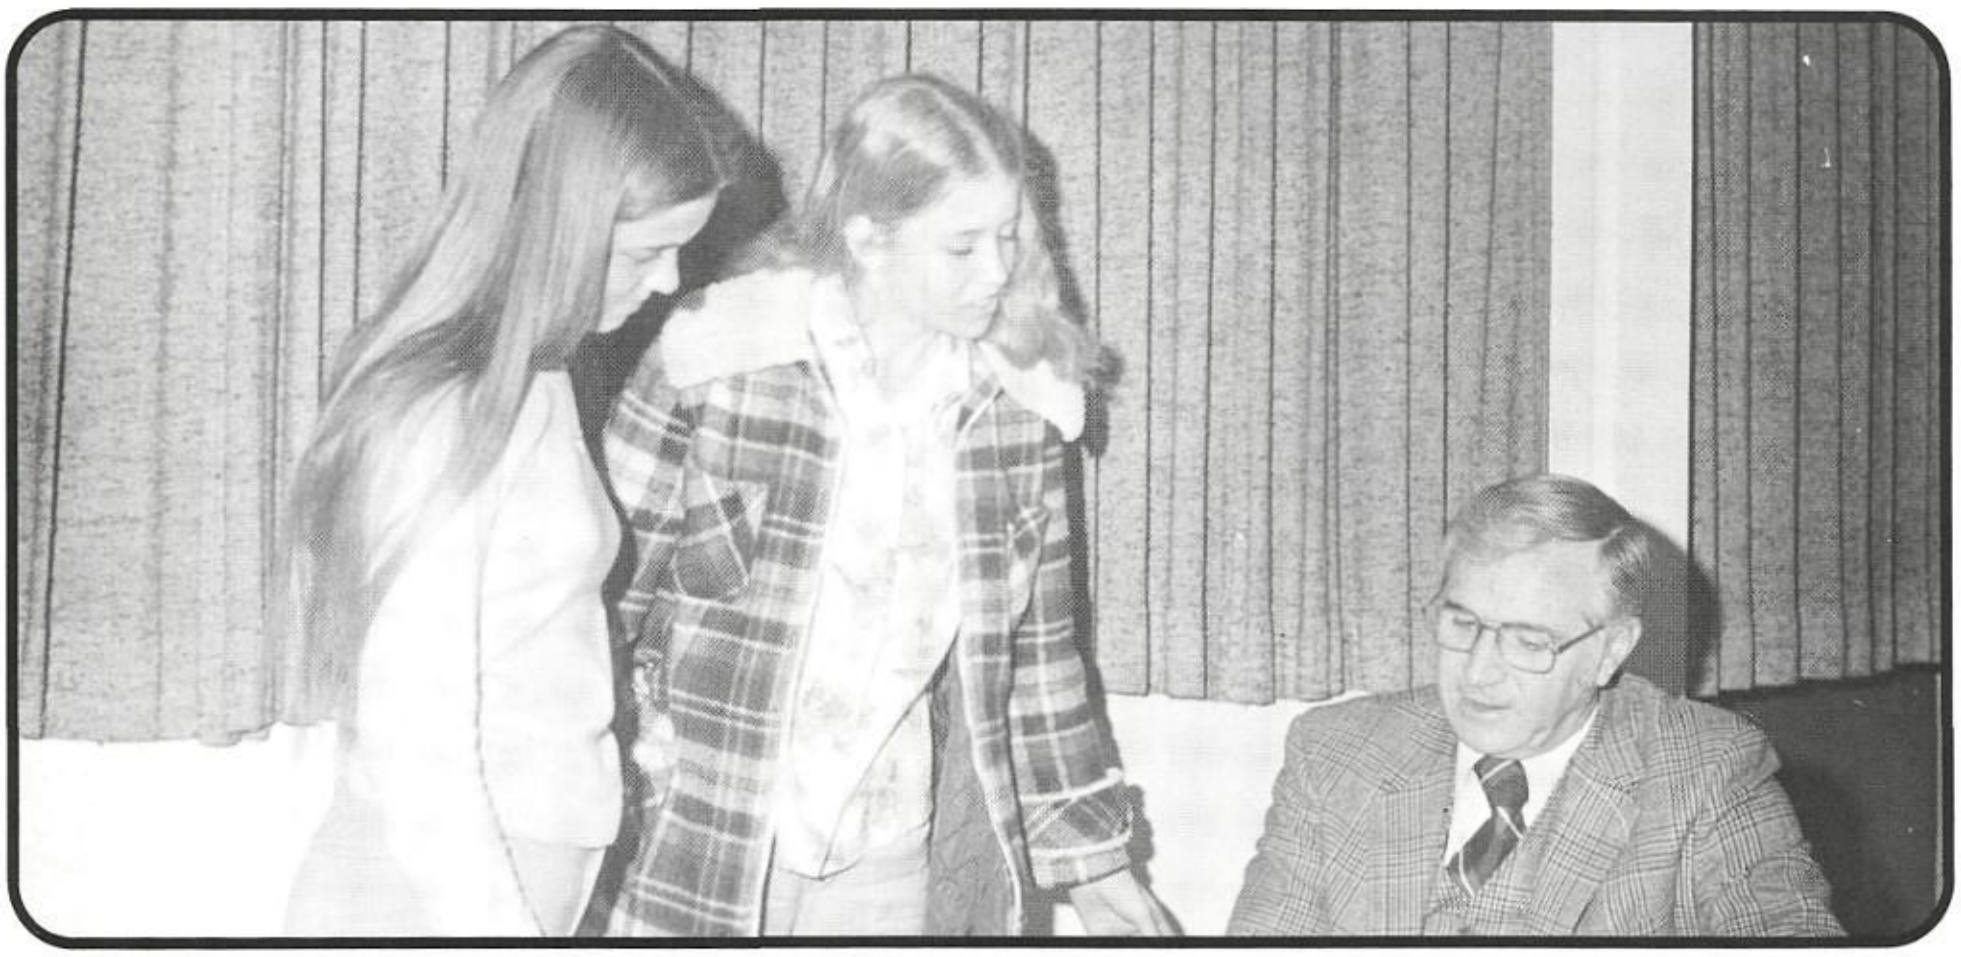
Dr. Ed Dundon
District Superintendent



A principal must be a well-qualified person, who knows his work and the people he is involved with. He must keep up a good relationship with his teachers and his students.

That just described our principal here, at Grove, Mr. Jay Reed. In every area he strives to fulfill the school's motto: Pride, Performance, and the Pursuit of Excellence.

Mr. Reed points out the way.



Patty Towey and Chris Morin confer with Mr. Reed over office procedures.

Ass't. Principal's Office Staffed With New Titles and Faces

Our very own Mr. McTaggart went back to school to finish his education.

He went to the Western Colorado University on the 25, 26, & 27 of Nov. to complete tests for his Doctorate in Education. He did his Undergraduate and Administrative work in Education at USC and UCLA. In achieving his degree he returned to Garden Grove High School on Dec. 2, 1974 with the new title of Dr. McTaggart.

Mr. Holler came to Argo land this year from a similar position at La Quinta. Mr. Strecker still serves as head of guidance but carries the new title of Asst. Principal.
